## Welcome to the 2025 Secondary Summer School program.

**The teaching and administrative staff of the Fairfield summer program look forward to working with you over the 4-week summer session.**

The following bulletin is designed to familiarize you with the programs, policies, and expectations for the program. There are also charts and a student scheduling worksheet designed to ensure all students register for the correct courses and complete the registration process easily and efficiently.

**All questions regarding the program should be directed to: Dave Craven, Secondary**

**Summer School Principal**

Fairfield Public School

501 Kings Hwy East, Fairfield, CT 06825

email: [dcraven@fairfieldschools.org](mailto:dcraven@fairfieldschools.org)

## PROGRAM OVERVIEW

The Fairfield Secondary Summer School is a self-funded, credit-granting program that serves students enrolled in the Fairfield public high schools, and private and public high schools in the surrounding communities.

The main purpose of the program is to provide an opportunity for high school students to have credit restored in order to keep on pace for graduation.

The courses offered are not meant to serve as a replacement for the traditional high school year offerings. The courses are viewed as an extension of the school year where key course concepts are reviewed, taught, and tested.

## COURSE OFFERINGS

The menu of summer school courses includes all levels of English, Social Studies, and Math. In Science, Biology is offered. Students also can make up Health classes and units of P.E. (1 semester = 20 hours of P.E.).

## MASTER SCHEDULE

The school has two instructional blocks that run approximately 2 hours each. The four weeks are divided into two sessions.

Session 1 Dates: July 1 - July 11

Session 2 Dates: July 14 – July 25

The following blank worksheet and master schedule chart are designed to assist you in your planning. **This should be done in collaboration with your school counselor.**

# WORKSHEET—STUDENT SCHEDULE

July 1–July 11 None 7/4 Period 1 or 2	P.E.	P.E.	225.00 PER UNIT	275.00 PER UNIT	

## COURSE CLOSINGS

Every effort will be made to run all courses posted in this bulletin. The staffing for summer school and running of courses, however, is dependent on the number of students who ultimately enroll. As mentioned, summer school is a self-funded program that is operated with the tuition of those who enroll. Therefore, the District reserves the right to adjust the master schedule or cancel a course due to insufficient enrollment.

If a course is cancelled, students will receive a full refund.

## TUITION

Please refer to the tuition chart on page 4. Please note that there is a resident and non- resident rate charged for each course.

If a student withdraws from a course within the first four days of summer school, he or she will receive a refund of tuition minus a \$50 processing fee. No refunds will be given after the student's course has met for 4 days.

## FINANCIAL ASSISTANCE

Financial assistance is available for students if they qualify for the free or reduced lunch program. It is required to contact Michele Sierau at [msierau@fairfieldschools.org](mailto:msierau@fairfieldschools.org) before registration to confirm eligibility.

## BOOKS & SUPPLIES

It is required that all students have a Chromebook or appropriate laptop device. If necessary, a Chromebook can be issued to the student for the Summer school term.

## GRADES & REPORTING OF CREDIT

- ♦ Students will receive a progress report at the 2 week mid-point and a final grade report on the last day of school through Infinite Campus portal. For out of district and private schools, a letter will be mailed confirming attendance and a final grade.

## ATTENDANCE POLICY

- ♦ Due to the limited duration of summer school, no absences are allowed. Five Tardies equal an absence.

## SECONDARY SUMMER SCHOOL STUDENT BEHAVIOR EXPECTATIONS

- ♦ Mutual courtesy between teachers and students will be expected at all times.
- ♦ No threatening, intimidating, harassing, bullying, or other such behaviors will be tolerated in the classroom
